

Sixty Years of Service

St. Jude's Church, Winnipeg
1906 - 1966

"The Bible refers to 'the year of jubilee' and we know that such anniversaries were marked with joyfulness and thanksgiving. I join with the many friends and Parishioners of the Church in the Diocese in expressing our happiness and thankfulness for the sixty years of Christian Witness of St. Jude's Parish. In this country where our history is not a long one a Diamond Jubilee is a subject for congratulations. I join my prayers with those of the whole Church that the years ahead may see an equally effective witness to the world in new and changing circumstances by the clergy and people of St. Jude. God bless you all."

The Rector's Foreword

Members and Friends of St. Jude's Church
Greetings;

For the Diamond Jubilee of St. Jude's Church, we have tried to do two things. First, a memorial for any member or friend of St. Jude's; second, a good work for someone else. This we feel is the Spirit of Christ, in whose name the Church was established 60 years ago.

A Jubilee such as we mark, is a time of remembrance and a time of gratitude to Almighty God for blessings received.

I thank the many, many folks who have so generously and willingly assisted in what we have done to mark this occasion.

God bless you all.

Harold L. Newton.

A Word of Appreciation to the Organizations of St. Jude's Church.

One cannot read the history and Vestry Books of St. Jude's without being struck with the thought that so much in the past and so much at present is the result of most faithful service by the Organizations of St. Jude's Church.

Particularly one has to single out those who have served in the Church School, for it is from this vital organization that the life-blood of the Church comes.

Both the Women's and Men's organizations have made lasting contributions to the on-going work of the Church, and have done much to build up, and keep in repair the fabric of the Church.

A Brief History of St. Jude's Church

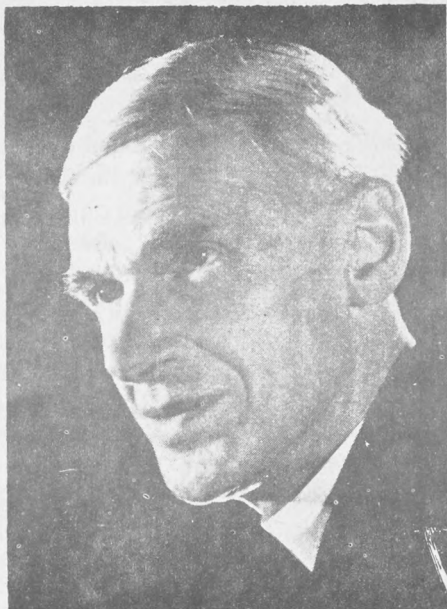

The parish of St. Jude, Winnipeg, is typical of a majority of the younger suburban parishes of the Anglican Communion the world over. Its comparatively brief history is a story of the up-hill struggle and progress of a small band of men and women, poor in this world's goods, but constrained by the love of Christ and by their loyalty and devotion to the Church of their fathers. To those, who for years have worked and worshipped in St. Jude's and who now look back, and to all who have come to love their parish church as their spiritual home, the story is one of proud achievement. And it is not without that element of romance that in every age is essentially a part of any record of self-sacrifice and self-giving for the Divine Master. One is especially conscious of this as one reads through the St. Jude's records.

EARLY DAYS

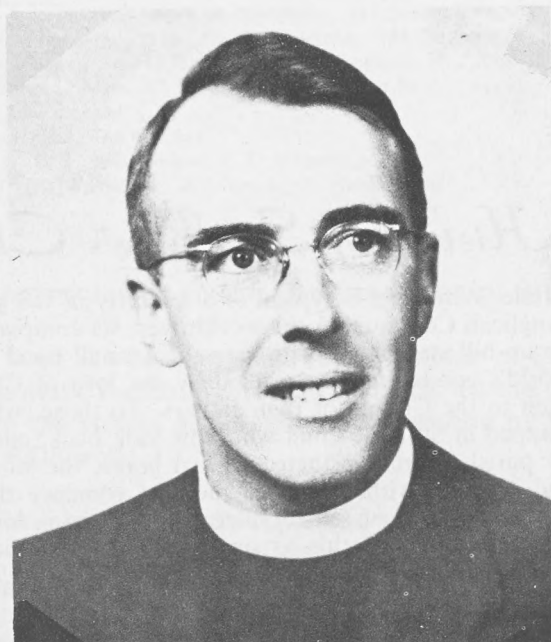

The Reverend George Horrobin, formerly a curate at the first St. George's Church in Winnipeg, had been commissioned to establish a church at the intersection of Home Street and Wellington Avenue. He held some preliminary services in the home of the late John T. Williams on Burnell Street but St. Jude's Church, another of the daughters of the old mother church of St. James, may be regarded as having come to its birth in a tent pitched on the site of the present edifice, the first

Sunday in September, 1906. During the weeks Mr. Horrobin was conducting the tent services, a wooden structure was in course of erection at a cost of some \$4,500.00. The small but growing congregation entered the more substantial building for Divine Service on Sunday, November 15th of the same year. In two years the mission had become self-supporting and, on the petition of the Rector, Wardens and Vestry, the Archbishop constituted St. Jude's a Parish Church under charter.

The First St Jude's Church
September, 1906, witnessed the first services of St. Jude's Church—held in a tent, pitched on the site of the present brick edifice.

THE NEW CHURCH

In the month of May, 1914, plans for the erection of a brick church were adopted by the Vestry and within a month a tender had been accepted. The foundation stone was laid in the evening of July 19th. A robed choir, with the Dean of Rupert's Land, Dr. Coombes, the Rector of All Saints' Church, the Rev. Walter Loucks, and the Rev. George Horrobin, formed the procession. All joined in well-known hymns. An address was delivered by the Dean, who conveyed a message of blessing from the Archbishop and greetings from the Cathedral Chapter. The stone-laying ceremony was performed by Mr. J. G. Dagg, a prominent lay member of the Diocesan Synod, after he had been presented with a silver trowel by the Rector's Warden, Mr. J. W. Beggs, on behalf of the Rector and congregation. Addresses were given by Mr. Dagg on the history and significance of stone-laying and by the Rev. Walter Loucks on St. Jude, our Patron Saint. The Corner Stone, which may be seen by all who now enter the church, stands, as Mr. Horrobin later reminded his people, as a permanent memorial of many blessings received and of Him who is the Chief Corner Stone of the Church of God.

By St. Jude's Day, October 28th, the same year, the new church was ready for Divine Service. The Rector celebrated a well-attended Holy Communion at 6 a.m. and again at 10 a.m. And now we quote a letter written by Mr. Horrobin in his parish magazine the following month: "At 8 p.m. the formal opening service began. The Archbishop of Rupert's Land, attended by the Rev. Canon Jeffery, the Rev. E. C. Pritchard, the Rev. W. Loucks and the Rector, headed by our choir at full strength, formed the procession from the choir vestries. The service was glorious. The organist and choir were never heard to better advantage. I am sure the service was well pleasing to God . . . The Archbishop delivered a splendid address on

the glorious House of God . . . I trust his last words may live with us, "that we may one and all earnestly contend for the faith once delivered to the Saints."

THE MORTGAGE

The original mortgage debt on the new St. Jude's Church was for \$13,000.00 which, together with considerable sums due to the contractors and for the new pipe organ, brought the total indebtedness to some \$20,000.00. It was a burden of debt which might well have discouraged a parish priest and a congregation made up entirely of people with meagre resources. But together, Rector and congregation went forward in faith and hope through the hard years of depression which followed the war of 1914-1918, meeting the heavy interest payments and gradually reducing the principal.

THE RECTOR AND FOUNDER

During the whole of his pastorate, Mr. Horrobin, who was a highly gifted musician, held the position of Choir Master—not an easy office for one who was also Rector. Miss Kate O. Briggs, who later became Mrs. George Horrobin, was his organist and held the position since the founding of the church until her resignation in 1950. The "Reverend George" as he was affectionately called by his friends, established a tradition of bright choral services which is still maintained.

On Wednesday, October 28th, St. Jude's day 1936, the parish began the celebration of its thirtieth anniversary and patronal festival. The evening service was attended by His Grace Archbishop Harding, who preached the sermon, and by the Lieutenant Governor of the Province, the Rt. Hon. W. J. Tupper. Other prominent citizens mingled with the parishioners. Following the service, a presenta-

tion was made by the Choir to the Rector and Mrs. Horrobin in appreciation of their thirty years of service as Choir Master and Organist respectively. On the Sunday following, the Rector conducted the morning services and attended Sunday School. He had not been feeling well and was suddenly taken seriously ill. In hospital early the following morning, he passed peacefully away to a higher service, 'having done his duty here to the end.

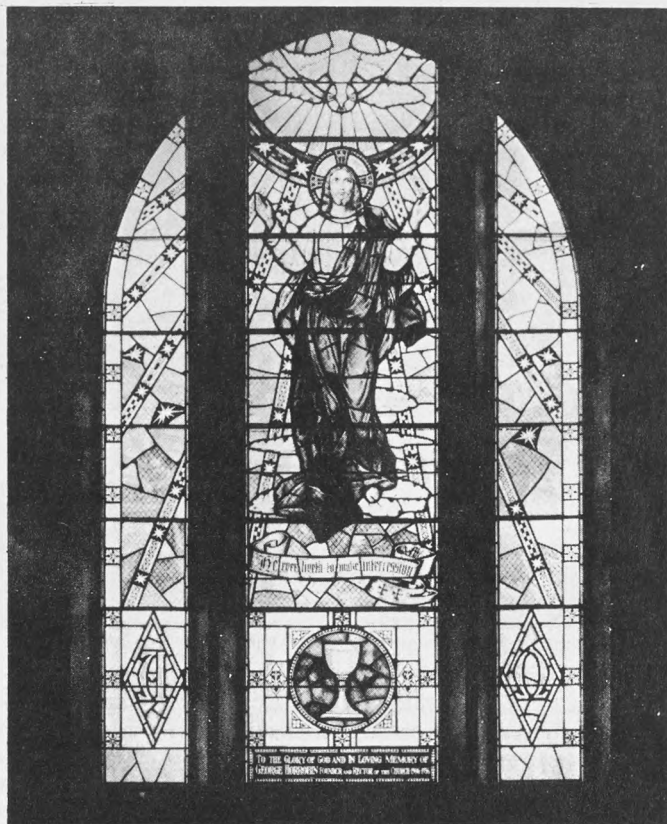

At the time of Mr. Horrobin's death, the mortgage principal had been reduced to around \$5,000.00. The parish was still affected by the post-war economic depression and many of its members were unemployed.

REV. NELSON C. SMITH INDUCTED

The choice of a new Rector now came up for consideration and enquiry. A selection committee was appointed and the choice fell upon the Rev. Nelson Smith, who, at the time, was an Hon. Canon of Brandon and Travelling Priest for that diocese. He accepted the position and on the evening of Wednesday, January 6th, the Feast of the Epiphany, 1937, in the presence of a large congregation, including visiting clergy and members of other city parishes, was inducted into his new charge by His Grace Archbishop Harding, the sermon being preached by the late Archdeacon D. T. Parker.

THE HORROBIN MEMORIAL

A campaign was now set afoot, as a tribute to the late Rector, to make at least a substantial reduction in the mortgage on the church, the liquidation of which had been Mr. Horrobin's dearest wish. The effort included an appeal for funds of the mortgage principal and in the erection in the church of the present beautiful Sanctuary window as a permanent memorial to St. Jude's founder and first Rector. The window was dedicated at a largely attended morning service by His Grace the Archbishop of Rupert's Land, Dr. Harding, on Sunday, January 14th, 1940.

SANCTUARY WINDOW

Erected in 1940 in memory of the Rev. George Horrobin,
Founder and Rector of St. Jude's, 1906 - 1936

THE HONOUR ROLLS

The second World War was now at its height and all St. Jude's young Men, eligible, were on active service, as in the first World War. The congregation is proud of its long Honour Rolls of both wars, the names of volunteers in the war of 1914-1918 being inscribed on a scroll attached to the handsome eagle lectern which stands as a permanent memorial to their patriotism.

ORGANIZATIONS

A record of the many and various St. Jude's organizations would be outside the scope of this brief history. It suffices to say that nearly all the usual parochial organizations of our Church, including the Senior and Junior Woman's Auxiliary branches, the Mothers' Union, the Girls' Friendly Society, the Brotherhood of St. Andrew, Men's Club, Guides and Scouts, etc., have flourished and have been of incalculable assistance to the Church.

Among the many earnest workers, mention should be made of Mrs. Elizabeth Horrobin, who, until her death in 1924, was the Rector's most faithful helpmate. Older parishioners, remembering her with affection, still speak of her saintly character and devoted labours in the parish, especially in the women's and girls organizations.

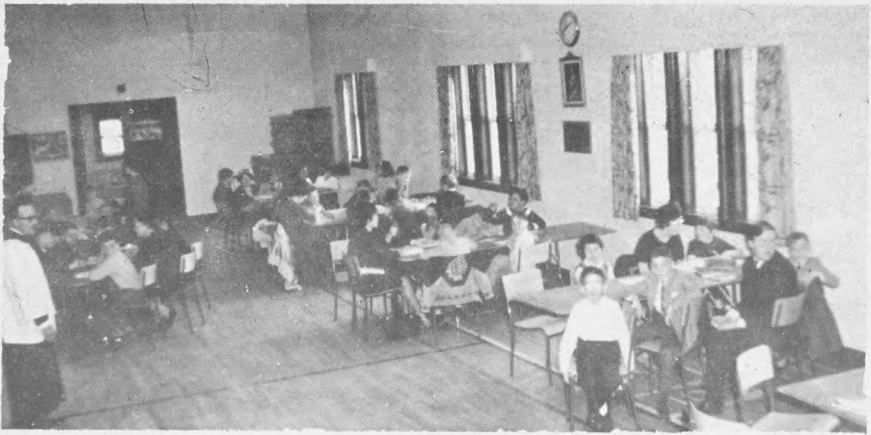

St. Jude's Choir - 1966
Several missing

A splendid choir has always been a feature of St. Jude's Church. This was only to be expected, as Rev. George Horrobin was a gifted musician. Following his death the services of Mr. R.W. Cooke as choir master were greatly appreciated. After the Second World War, Mr. H. Belyea was appointed choirmaster and served in that office until 1960. He was succeeded by Mr. Wilf. Holbrow. There have always been outstanding Organists at St. Jude's. Mrs. Horrobin served until 1950, when Mr. Gerald Collins was appointed to the position. Mrs. Belyea followed and in due time our present Organist Garry Greene was appointed.

THE CHURCH SCHOOL

From the beginning, when the late Ralph Hume was Superintendent, there has been a long line of devoted workers in this very important part of the Church's life. The list has included such faithful people as Josiah Jerrard, William Douglas, J.C. Bower, W.J. Boyd, Thomas Barker, and Jack H. Wilson. Of more recent date Mrs. R.M. Robertson, Mr. R. J. Wilson and Mrs. J. Henderson have nobly filled the position. Mr. A. Middleton and Deaconess Hall and Hives also served. At present the Superintendent is Mr. J. Lardner, assisted in the departments by Mrs. J. Freeman, Miss Lil Browne and Mrs. J. Chapman. Miss Gloria Anderson is Organist.

The Scout and Guide Movements have for many years provided the finest form of training and recreation for our St. Jude's boys and girls.

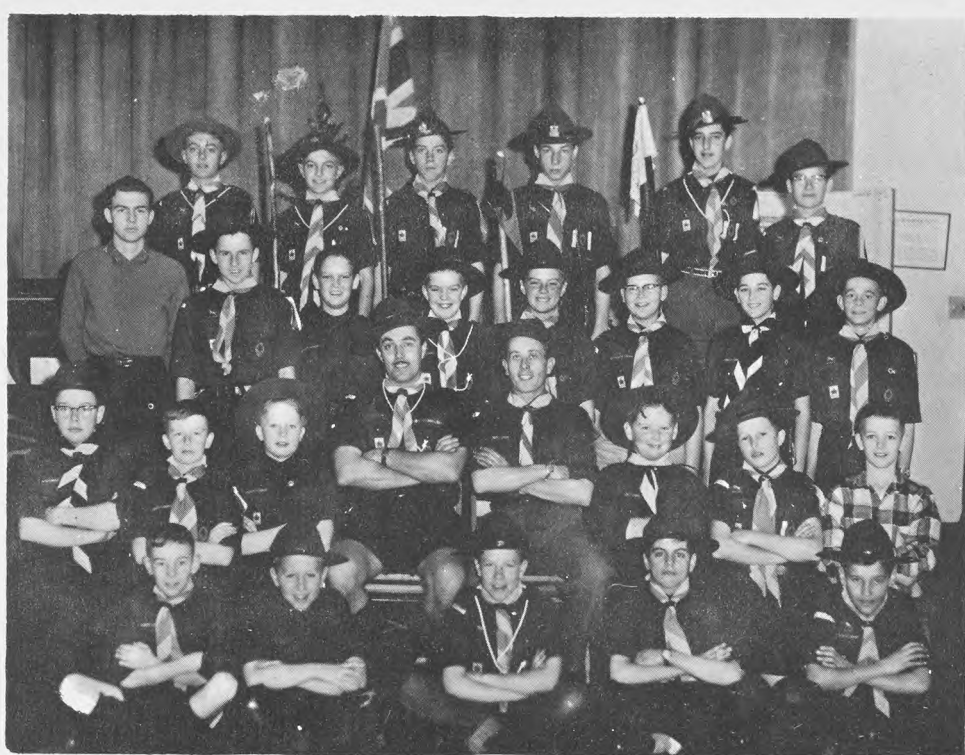

The first Scout troop was formed by Eric Chalmers in 1911 and the following year Oscar Stretch, who, today, is regarded as the father of Scouting in St. Jude's, became associated with the troop, which was then known as the 9th Winnipeg. Mr. Stretch shortly afterwards left to reside in the north end of the city and was associated with the Cathedral Scouts. Following the first World War, in which he served, he returned to St. Jude's, and under his direction the St. Jude's Scout troop, which had become defunct, was revived and has since been known as the 11th Winnipeg Troop. Mr. Tom Saul, the present Provincial Commissioner, first became interested in Scouting at St. Jude's and for a short time was an assistant scout master until he moved from the parish. Harry Bates and Daisy Lloyd (now Mrs. Cann) started the Wolf Cubs in 1923. In 1931, when a group of older Scouts were granted permission by the Rector and Wardens to build their den in the Parish Hall, over what had been the chancel of the old church, they formed themselves into a Rover Crew. This has proved of inestimable value in keeping young men in touch with their Church. Since the earliest days of the troop, Bert Jones, in turn as Boy Scout, Scout Master and Rover Leader, has given constant and devoted service to the movement. If Mr. Stretch can be called the Father of St. Jude's Scouts, Bert can be deservedly described as the Big Brother.

Of the St. Jude's Girls' Friendly Society, 10th Company, Winnipeg Girl Guides (to give them their full title) Mrs. W. Charles Folliott and Mrs. J. W. Beggs have written:

"Conscious of the need of an organization for girls to encourage practical Christianity both in the Church and in the homes of our district, our beloved Rector, the late Rev. George Horrobin, was consulted with the idea of trying out the Girl Guide programme, then only in its infancy in Manitoba.

"St. Jude's can be justly proud of the many girls who passed through the ranks of the 10th to take their places as leaders in different sections of our city and country"

For several years after 1960 the Brownie leader was Mrs. Terry Holbrow. The Girl Guide Captain at present is Mrs. C. Giesbrecht, formerly Doreen Stairs, who came up through the ranks. Today more and more of our Cubs, Scouts, Guides and Brownies are boys and girls whose parents are not of St. Jude's Church. It has been increasingly harder to find leadership for this work.

St. Jude's Scouts 11th Winnipeg, 1960

ST. JUDE'S AT PLAY

It would be a serious omission in any history of St. Jude's, however brief, if there were no reference to the various sporting activities which, from the earliest days, have been an important feature of parochial life. This can be attributed to two main sources. The first—that our first Rector, Mr. Horrobin, was not only keenly interested in athletics, but was also an outstanding competitor and had gained quite a reputation in football and cricket at St. John's College during his student days. The second—that in those early years the congregation of St. Jude's was largely comprised of young men, many from the Old Country, somewhat lonely, living in boarding houses, and they naturally banded together for their own entertainment.

"Cricket appears entitled to first mention. The club was formed in 1906. It was an ambitious venture for there was only one league at that time and the class of cricket then played was of a very high order. However, St. Jude's team always had to be reckoned with and, although it never achieved a championship, it wrecked the chances of many other aspirants.

"Football, too, has had a prominent place. Unfortunately, the records, if retained, are rather scattered. The outstanding achievement, still remembered, appears to have been in 1910 when St. Jude's won the District Championship of the Young Men's Federation, a competition between all churches in the city.

"For many years, the ancient and noble game of Tennis brought congenial friends together on the St. Jude's courts and the club took a worthy part in the annual tournaments.

In the Memorial Hall hang two most interesting pictures of St. Jude's champion curling rinks in the annual Chaplains' Bonspiel in 1917 and 1937. On the second occasion, when the cup was won, the picture shows the same personnel of the rink with one exception. The place of the late "Rev. George", is filled by the Rev. Fred Boyd, an old St. Jude's boy.

In addition to the sports mentioned, St. Jude's has had a mixed Bowling League for 18 years. The Men's Club recently has had a Curler's Night in which some 40 fathers and sons have taken part annually.

THE TWO THOUSAND CLUB

With the opening of the second World War there was a rapid improvement in economic conditions. The missionary offerings of the parish were trebled and at the end of 1943 the mortgage principal against the Church, steadily attacked by the "Quarter Club", the members of which had been giving at least 25 cents a month, stood at \$2,000.00. At the annual meeting of parishioners in January, 1944, it was unanimously decided to discharge the debt by the end of the year. For this purpose, a "Two Thousand Club" was formed to consist of subscribers to the Mortgage Fund. January 6th, the Feast of the Epiphany, 1945, was set as the final date for the achievement of the objective, leaving the church free for consecration on the following Sunday. The parish got enthusiastically behind the project and the goal was reached a good month in advance.

CONSECRATION OF THE CHURCH

On Saturday morning, January 6th, 1945 the Rector celebrated the Holy Communion. A large congregation attended Evensong, which was followed by a social gathering, including visiting clergy, in the Parish Hall for the "Burning of the Mortgage". This happy ceremony was performed by Mr. Joseph Beggs, the only remaining signatory of the original bond, 1914, and the widows of signatories still resident in Winnipeg, namely, Mrs. George Horrobin, Mrs. Harry Robertson and Mrs. Josiah Jerrard.

The following morning, Sunday, in impressive and dignified ceremonial, His Grace the Archbishop of Rupert's Land, the Most Rev. Louis Ralph Sherman, vested in cope and mitre, and attended by the Warden of St. John's College, the Rev. Canon R. J. Pierce, the Registrar of the Diocese, Mr. R. H. Pook, and the Chancellor, Mr. A. E. Hoskin, K.C., solemnly consecrated the church, "setting it apart for the worship of God for ever". The celebrant of the Eucharist, which was sung to John Merbeck's setting, was the Rector of the Parish, the Rev. Nelson Smith, and the preacher, Canon Pierce.

It will be remembered that in 1946, the year of victory for the United Nations that St. Jude's celebrated its Forty Years of Service. We were rejoicing then with the free world in peace restored and in the return home of our boys from overseas. But we were rejoicing also in finding ourselves as a congregation free from debt and we were beginning to plan our next advance.

MEMORIAL HALL

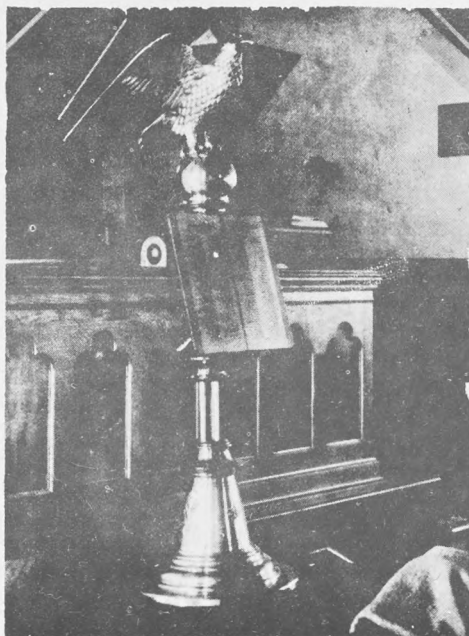

It was at the annual meeting of the congregation in January, 1947, that we decided to start a campaign for a War Memorial Hall of some kind, we were not sure what, but we needed a new building to take the place of the old parish hall which had become inadequate for our needs. As a nucleus we had in hand over \$7,000.00, including the very generous bequest to the parish by the will of the late Charles Folliott. The meeting felt that it might safely aim at a modest objective of \$20,000.00 before starting to build.

By January, 1949 a total of nearly \$18,000.00 had been reached. And then a wonderful boost was given to the whole enterprise by the unexpected offer of the late Bertie Townsend to loan the parish up to \$20,000.00 at the low interest rate of 1½%. A strong Building Committee was formed under the able chairmanship of Ernest Chable, Col. J. N. Semmens was engaged as our architect and the contract

was given to the Bird Construction Co. The parish was also greatly encouraged by the practical interest of friends outside.

On Easter Monday of the same year a "Farewell" gathering, organized by the ladies "Kalendar", was held in the old parish hall on the eve of its demolition. It had rendered the parish good service and for the first eight years in the parish history had served as the church. For the older folk present the building had many happy and sacred association. Present on the occasion were senior parishioners who had seen the parish come to its birth in 1906. They were Mr. George Martin, Mrs. George Horrobin, Mrs. Wilfred Hanks, Mrs. Bertie Townsend, Mrs. "Beckie" Bentley, Mr. and Mrs. Tom Martin and their daughter, Winnie (Mrs. Oakes) who was the first baby to have been baptized in St. Jude's Church. All of them are still happily with us. The meeting concluded with the singing of Auld Lang Syne and the National Anthem.

The building of the new fifty thousand dollar Memorial Hall and Folliott Memorial Chapel was commenced in June and was ready for use by the end of the year.

Brass Eagle Lectern—A tribute to the men of St. Jude's who fought in the war of 1914 - 1918

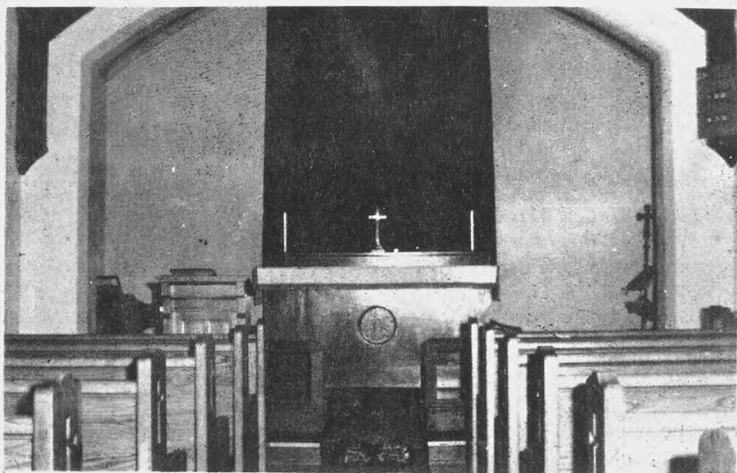

DEDICATION OF THE MEMORIAL HALL

The New Year, 1950, was to prove a banner year in the history of the parish. The Feast of the Epiphany is also St. Jude's Feast of Consecration (January 7th, 1945). The Formal Opening and Dedication of the new Hall very fittingly coincided with that date and was an Epiphany offering indeed. On Saturday afternoon, January 6th, a representative gathering of parishioners awaited the arrival of the Lieutenant-Governor, His Honour R. F. McWilliams and His Grace, the Archbishop of Rupert's Land, the Most Rev. L. Ralph Sherman. Our Scouts and Guides had provided a Guard of Honour. On the platform at the ceremony which followed were Mr. Stanley Knowles, M.P., and Alderman Simonite, representing the Mayor of Winnipeg. There were also official representatives of the Premier of the Province

and of the Army, Navy and Air Force. Following his address, the Lieutenant Governor declared the Hall open and proceeded to unveil the Memorial Tablet. The Rector, the Rev. Nelson Smith then solemnly recited the names of St. Jude's men who had made the supreme sacrifice in the War and His Grace, Archbishop Sherman offered a prayer of dedication and gave his blessing. The ceremony concluded with the singing of O Canada.

In April and May 1950, there occurred one of the three worst floods on record which nearly led to the evacuation of the whole city. Water backed up from the sewers flooding the basements of both church and hall. In the latter the drains were plugged and the water pumped out and the hall became a Red Cross centre.

To the regret of her many friends Mrs. George Horrobin felt that the time had come to offer her resignation as organist of the church. For forty-four years she had held the position without a break, surely a record very rarely equalled in this country.

WM. CHAS. FOLLIOTT MEMORIAL CHAPEL

MEMORIAL CHAPEL

On our Anniversary Sunday, October 29th, came the Dedication of the Folliott Memorial Chapel. The church was filled for Mattins and the Archbishop preached a challenging sermon. Friends and members of the family of the late Charles Folliott followed His Grace and the Rector into the Chapel for the dedication, the service of which was relayed to the congregation in church by a P.A. system installed by Leslie Godden.

At the annual meeting of the congregation in January, 1953, the parishioners present, ever looking forward, adopted what was called a "Ten Year Plan", having in view extensive improvements to the church and the building of a Rectory. Unlike some much wealthier congregations in the city we had plenty of space for a new building. Several years ago Mrs. Charles Folliott with commendable foresight had herself most generously purchased from the city the land at the rear of the church and had presented it to the parish. With the new plan adopted a new building committee was elected, having as its chairman Mr. George Henson, a life-long parishioner of St. Jude's.

It was less than four years since the opening of the War Memorial Hall and the parish had completely liquidated the mortgage. The Anniversary Dinner in

1953 was an unusually festive affair, for the mortgage was to be burnt. Guests of Honour at the head table were Mr. and Mrs. Hubert Bird and Archdeacon and Mrs. Park. As the Doxology was sung the document was ignited by Messrs. Ernest Chable and Tom Faulkner, Church Wardens in 1949 who had signed the mortgage on behalf of the parish. At a special service of thanksgiving the following Sunday the preacher was the Very Rev. W. E. (Bill) Harrison, O.B.E., Dean of Calgary, who in 1940-41 had been our Student-Assistant.

REV. NELSON SMITH RESIGNS

And so we come to the 49th year. Early in 1955 the Rev. Nelson Smith who had been Rector for eighteen years felt that an extended visit to Britain he and his wife were about to make would be a suitable occasion for his resignation of the position and that the appointment of a younger man would be in the best interests of the parish. The Archbishop accepted his resignation and asked him to undertake the establishment of a new parish at River Heights after his return from overseas.

During the incumbency of Rev. Nelson Smith the parish made steady progress. The discharge of the mortgage followed by the Consecration of the Church, the erection of the Memorial Hall and liquidation of a \$20,000.00 debt within four years, the increases in our missionary apportionment and many other blessings, only a few of which are recorded within these pages, are sound testimony and a wonderful tribute to his leadership as our parish priest. May God richly bless his endeavours in his new parish.

The congregation honoured Mr. and Mrs. Smith at a Farewell Dinner in April, 1955. On this occasion Mrs. Smith was also warmly thanked for her many active years in the parish especially among the Ladies' Organizations and the Sunday School. Their two children, Paul and Nancy, both of whom gave freely of their time and talents in Choir and Sunday School work will always be gratefully remembered.

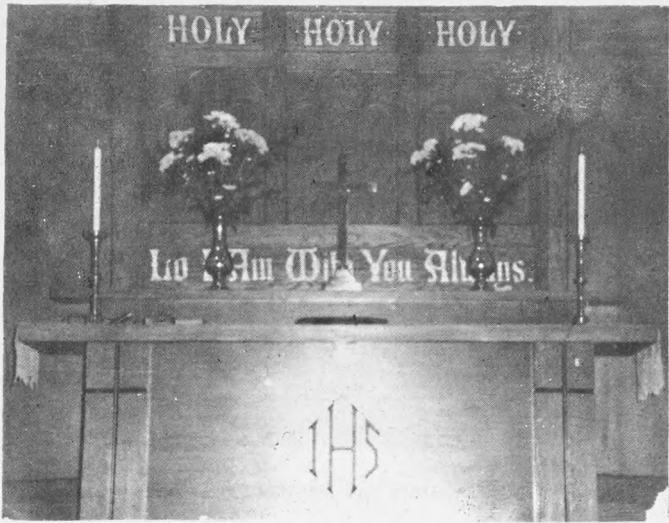

REV. E. W. SCOTT INDUCTED

Later in the summer, with the warm approval of the Archbishop, the congregation unanimously elected the Rev. Edward W. Scott, B.A., L.Th., as the new Rector. Mr. Scott had for years been Director of the Student Christian Movement in the Manitoba University and then priest-in-charge and rector of St. John the Baptist Church in Fort Garry, and priest-in-charge of the new church of the Good Shepherd in King's Park. Capable, practical, abounding in energy and a fluent speaker he had been increasingly influential in diocesan councils. It was felt by all that no better choice could have been made.

SOCIAL SERVICE WORK

The Diocesan Social Service work, under Rev. E.W. Scott, began to be centred at St. Jude's. Eventually, after 5 years in the Parish Mr. Scott resigned to give his full time to the Social Service field. He later became Assistant Social Service Director for the Anglican Church with headquarters in Toronto. It was while he was in this office that he was elected sixth Bishop of the Diocese of Kootenay and Consecrated on January 25th, 1966.

As a mark of our respect for the newly consecrated Bishop, St. Jude's congregation made a generous presentation to Bishop Scott, so that he might purchase the necessary robes of his office. May God bless him and his family in his new work.

The New Altar

INDUCTION OF REVEREND HAROLD L. NEWTON

The Parish chose as its fourth Rector, Reverend Harold Newton, who was at St. Patrick's Church, Toronto, Ontario. Mr. Newton had gone from Holy Trinity, Winnipeg, to Toronto to build a new Church. This had been done, and as the West called, he returned to St. Jude's. He was inducted into St. Jude's, October 12th, 1960 by Rev. Canon G. D. Kelly, Rector of Holy Trinity. The last ten years have seen some changes in St. Jude's. Some are visible, others not so visible. The foundations have given trouble recently, and underpinning has had to be done on one Chapel wall and on the north and east side of the Church. The old entrance has been altered, and now there is a full sized narthex, where folks can chat. Comfort for worshippers was thought of when the Men's Club put in the padded kneelers for the Church. The matter of re-decoration of the Church has been attended to. A new Chancel carpet in blue to match the blue in the Horrobin Memorial Window has been installed recently. One might say that the present Rector has concentrated on improving the property and beautifying the Church itself. The 50 year old very lovely organ was repaired and two new pipes added. This year the whole of the basement floor has been tiled.

MEMORIAL WINDOWS

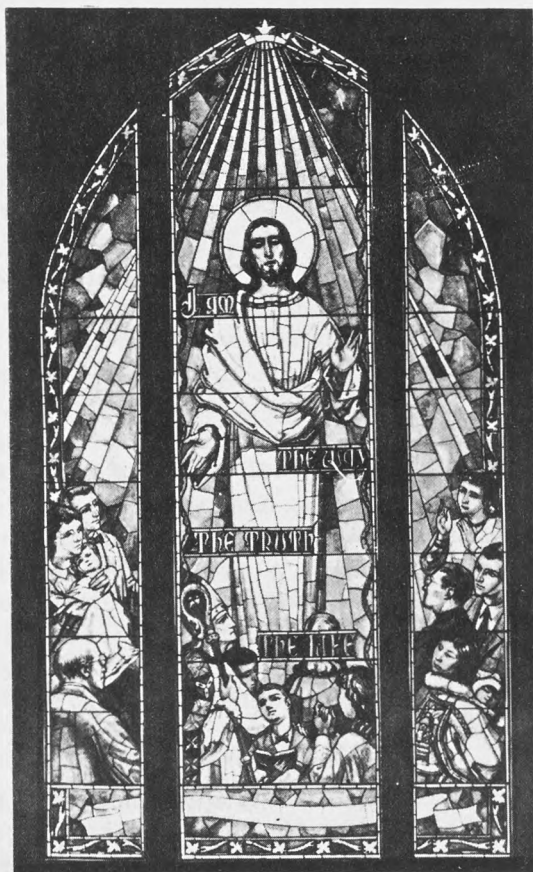

During the Rectorship of Mr. Newton there has been a real effort to improve the windows of the Church. Beautiful stained glass windows by the Internationally famous artist Leo Mol have been added. The idea in the artist's mind is that the South side of the Church will depict the life of Christ and the North side, the Old Testament characters.

60TH ANNIVERSARY MEMORIAL FUND

After much discussion it was decided that a fitting mark of our 60th Anniversary would be a Fund that would have as its objective a sum of \$2,000.00. With this amount we would do two things. Have a Memorial set of windows (The Last Supper) installed, and have a hand-lettered Book of Memory in which the names of Loved Ones would be recorded. Secondly, we would give away, to some worthy cause, the balance. Some project, such as, a needy Church somewhere in the world. Or like the Church School Children, adopt a child and further its education. This project has not been named as yet. The enthusiasm with which our Anniversary Fund has been accepted, and the support it has received, makes it certain that we will be able to do these things.

This beautiful Book of Memory has been especially made for this purpose, there is not another like it. The cover is red morocco leather and has gold lettering. Inside the book the names of Loved ones have been hand-lettered by Mr. T. Reith in two colors. The inscription on the first page says...

"As a humble Memorial to Loved Ones, and as a suitable mark of the 60th Anniversary of St. Jude's Anglican Church, this book and this Last Supper Window are respectfully dedicated.....October 28th, 1966".

LOOKING FORWARD.....

On the occasion of the 40th Anniversary of St. Jude's, Rev. N.C. Smith said, "For forty years St. Jude's has served in many ways this Winnipeg West-End Community in the Name of the Lord".

On the occasion of the 50th Anniversary Rev. E. W. Scott said, "it depends on us, under God, to determine the future. We must ask what God calls us to do in such a time as this".

Now on the 60th Anniversary it falls to my lot to speak of the years ahead. Of one thing I am sure, we will need God's guidance and blessing. We live in strange but wonderful days. The pattern of Parish work is changing, new ideas are on every side. The word "secular" has come to mean a great deal in the thinking of Church people. We are told that "God is Dead", and to a great many people He is dead, because He means nothing in their lives, but for 60 years God has been much alive in the life of this Parish and the lives of its faithful people. As we begin the years ahead, we of today will have to be as faithful to our Christian belief, and as generous of our time and ability to our Church as those who have built and supported St. Jude's in the past. May God bless our effort in His name.

Yours faithfully,
H.L. Newton, Rector
